Honor Guard Supporting our Troops

Well With the July celebrations behind us we can look forward to the August heat. What a better way to do so than to come visit some comrades in the lounge and catch up on so old friends. They will not be here forever. Some great friends have gone on to Post Everlasting. Please keep these and others who are not feeling well in your prayers.

August Happenings

The new year is here for your membership dues. If you pay before October you will be an Early Bird Member. Marcia Brewer is the new second vice president and will be planning some special events in the coming months so watch your calendar and come out and enjoy the fellowship. The Labor Day Picnic will be held September 6, so make your plans now to attend. There are many things going on at the Post Home so come out and enjoy the fun, food and fellowship.

The event at the National Guard went very well and I thank all who helped the American Legion Family with this project. I also want to thank all who came out to stand on the overpass at Belvoir Av. when Adarin and Jolie Brock's nephew, who was killed in the war, traveled the freeway to Trenton. This was a very moving experience as we stood there waving our flags it was so nice to see that we still have people who are TRUE AMERICANS and we were amazed to see that the traffic was completely stopped for this funeral procession. Remember to keep our troops in your prayers as they serve our country preserving our freedom. Also remember to thank our Veterans for their years of service to this great county.

The VA Clinic needs volunteers. If you would like to help contact the clinic and they will get you the information you need to become a volunteer.
